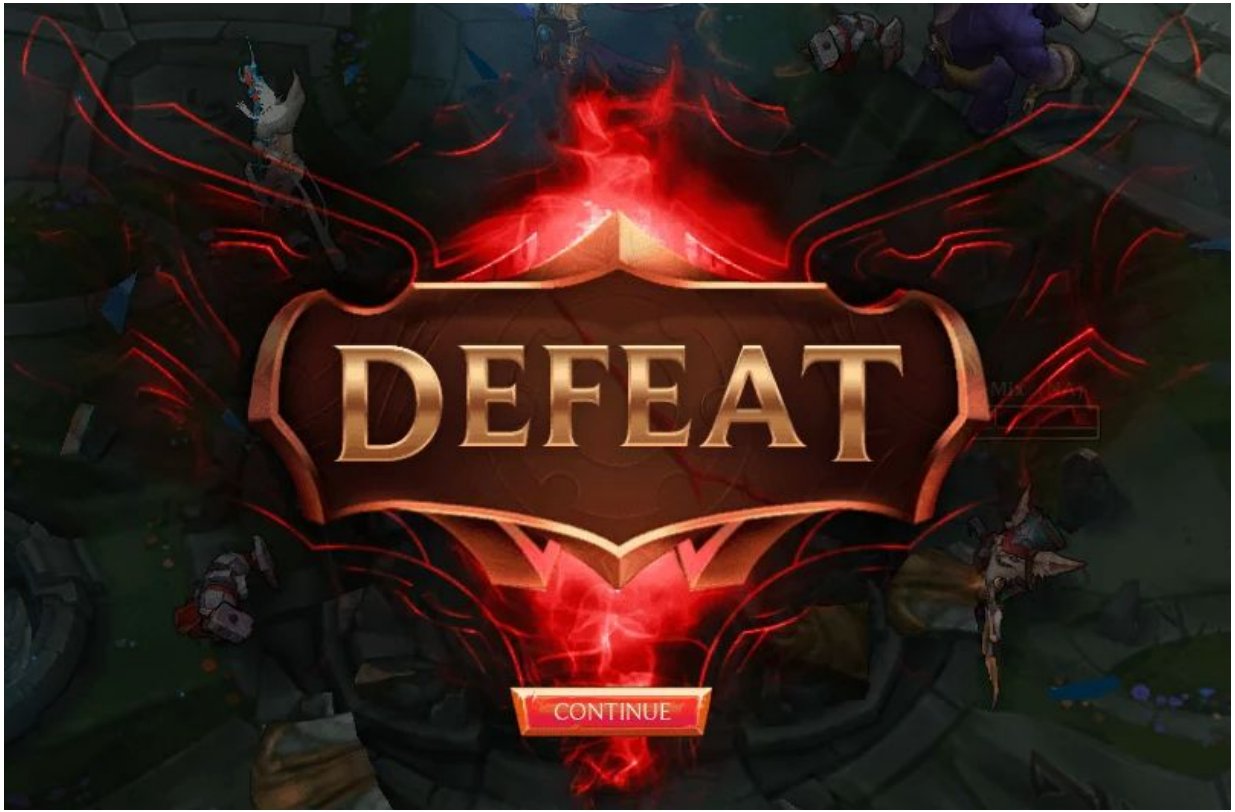
The guide to working with Yuumi

It turns out, you complained

Don’t worry, I’m used to it so I wrote this guide so you can cry less and play more.

Hope that helped!



Don't complain

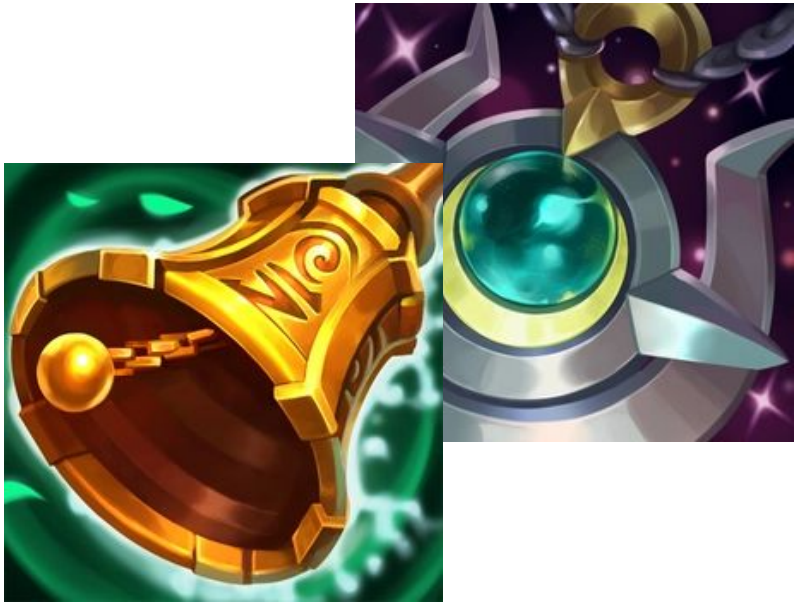
I'd rather you focus on CS than tilting so we can win.

- # Don't fight without me

You're not that guy I can help more than you think, going in alone you risk feeding.

- # Lvl 6 Preferable, but I love a good fight.

I’ll back you up but I’m barely viable until my first item



I'm late game - be patient!

Speaks for itself

Me at level >10

vs

Me at level 10
